**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive deployment! I choose a competitive provider. NO to price hikes that will increase the cost of internet and telephone services. Broadband is critical to my home, business and daughter's school. local broadband providers are so critical in rural communities too.
